Stay connected – while you enjoy the spirituality of our recovery center

ABOUT US

The dry dock is a safe, friendly facility dedicated to providing support to 12-step group meetings. If you are on the road to recovery, please attend one of the many meetings held at our facility.. We strive to provide an inner sanctum for one and all in recovery, allowing recovering souls to connect with each other and heal and become stronger. The power of the fellowship and the magical power of meetings bless all visitors with memories that in aggregate depict the miracle that has given them a new lease on life.

Your privacy & anonymity is very important to us and we insist on protecting it at all costs.
