The Dry Dock is pleased to announce and welcome a NEW AL-ANON meeting

Thursday night at 7:15 PM

Many have told us that they no longer carry cash and therefore are unable to contribute to the 7th tradition during meetings. We have setup a new capability to facilitate 7th tradition contributions to the Dry Dock. This facility can also be used to make donations to the Dry Dock.

Square Cash is now able to accept your donations under the name of:
\$drydocksf

We hope that Square Cash will make it easier for you to contribute.

Note: Instructions are posted in the Dock.
